

ENGRAVING INFORMATION

Please fill in the spaces as you want them to appear on your brick. There are 14 characters per line (including spaces) on each 4 by 8 inch brick. Minor changes may be required to conform to engraver's standardization process or limitations. Lines of text will be centered on the brick. Purchase two or more bricks if your message exceeds 28 characters. Please include information for additional bricks on a separate sheet of paper. Orders received together will be processed together.

HONOR SOMEONE SPECIAL WITH AN ENGRAVED BRICK

With your help, the College of Education and Human Development will increase the number of scholarships available to help ease students' growing financial burdens caused by rising tuition, fees and cost of living.

The Shaping the Future Scholarship Brick Program will create scholarships while honoring former students, faculty, staff and friends by permanently engraving their names in stone on the Texas A&M University campus.

Your personal words of tribute will recognize extraordinary people in celebration of their graduation, retirement or the difference they made in your life. A personalized brick is the

perfect way to recognize tenure, honor mentors or memorialize a friend or colleague. If you prefer, you can make a lasting statement of your commitment to education by purchasing a personalized brick for yourself.

Engraved bricks can be ordered any time of the year. They will be installed around the Shaping the Future Sculpture in the Education Plaza twice a year. Order deadlines are October 30 for a Dec/Jan installation or March 30 for a May/June installation. The bricks measure 4 by 8 inches and may include two lines of text with up to 14 characters each. Visitors to the college will see your permanent tribute to those who have helped transform lives through education.
