ENGRAVING INFORMATION

Please fill in the spaces as you want them to appear on your brick. There are 14 characters per line (including spaces) on each 4 by 8 inch brick. Minor changes may be required to conform to engraver's standardization process or limitations. Lines of text will be centered on the brick. Purchase two or more bricks if your message exceeds 28 characters. Please include information for additional bricks on a separate sheet of paper. Orders received together will be processed together.

SHAPING THE FUTURE
SCHOLARSHIP BRICK PROGRAM

4222 TAMU • College Station, TX 77843-4222
education.tamu.edu
With your help, the College of Education and Human Development will offer scholarships to help ease students’ financial burdens.

The Shaping the Future Scholarship Brick Program will create scholarships while honoring former students, faculty, staff and friends by engraving their names in stone. The bricks will be installed in Education Plaza near Harrington Tower on the Texas A&M University campus.

Your personal words of tribute will recognize extraordinary people in celebration of graduation, retirement or the difference they made in your life. A personalized brick is the perfect way to recognize tenure, honor mentors or memorialize a friend or colleague. If you prefer, you can make a lasting statement of your commitment to education by purchasing a brick for yourself.

Engraved bricks can be ordered any time of the year. Cost is $250 each. They will be installed around the Shaping the Future Sculpture twice a year. Order deadlines are October 15 for a Dec/Jan installation or March 15 for a May/June installation. The bricks measure 4 by 8 inches and may include two lines of text with up to 14 characters each. An email will be sent to either you or the honoree (your choice) upon purchase and you will be notified when the brick has been installed.

You can order online at tx.ag/cECHbricks or complete both sides of this form and send to:
