TRANSFORMING LIVES

THE DEAN'S ROUNDTABLE...HONORS LEADERS

For 27 years, the Dean's Roundtable and the School of Education and Human Development have been honoring individuals who have made a positive impact on the lives of people throughout the great state of Texas.

By becoming a member, you can help recognize the important roles these individuals play in shaping the futures of their community.

Charged with elevating the accomplishments and dedication of leaders and life changers, the Dean's Roundtable is an important source of funding in support of the college's mission to transform lives.

We can all think of someone who encouraged or inspired us to excel beyond self-imposed boundaries. Often times these contributions go unrecognized.

The Dean's Roundtable is the perfect opportunity for you to honor those who have made an indelible imprint on your life, your children's lives, or on a generation of Texans.

Honorees can include current or former teachers, principals, superintendents, coaches, librarians, school counselors, health educators, professors, or other professionals and staff members who have devoted their careers to helping others.

Help us continue our tradition of honoring transformational leaders by joining the Dean's Roundtable as a 2023 sponsor.

YOUR GIFT

Your gift will not only honor a select individual but will also strengthen the college's impact at the state and national levels by providing scholarships to future educators, researchers, and policy makers in education and human development.

Crystal Apple Sponsor – A gift of \$2,500

*Honor a transformational leader and sponsor dinner for **eight individuals including the honoree and guests**. Your name will be prominently featured in the Dean's Roundtable program, and you will receive a certificate acknowledging your support as a Crystal Apple sponsor.*

Red Apple Sponsor – \$1,000

*Honor a transformational leader and sponsor dinner for **four individuals, including the honoree and guest**. Your name will be prominently featured in the Dean's Roundtable program.*

You can become a member of the Dean's Roundtable even if you do not have a specific honoree in mind. We receive recommendations from a variety of sources during the year regarding well deserving individuals that we are happy to share with you.

Please note that gifts from several donors may be pooled to sponsor a transformational leader.
